

Dear IE Community,

I hope this message finds you well. I wanted to take a moment to share some important news about Integrative Education (IE) and the path ahead.

This year has been marked by incredible growth with [Integrative Therapy](#), my main company providing OT services to schools in Minnesota. Alongside this, I've been privileged to collaborate with my colleague Dawn Paulson on the creation of [1-2-3 RESET™](#), a new framework designed to empower teachers and positively impact our classrooms.

The work we are doing is deeply fulfilling, and I am genuinely excited about the potential to bring about meaningful change for our students.

However, as we expand, I've come to the realization that I cannot do it all—after all, I'm only human! After much contemplation, I have made the decision to close the IE chapter. This was not an easy decision, but it feels like the right step forward. IE will officially close its doors on June 30th, 2024.

What does this mean for you?

On-Demand Courses: The [IE On-Demand Library courses](#) will remain available for purchase until April 30th, 2024, with 45 days of viewing. After April 30th, these courses will no longer be offered through IE. I am in communication with the speakers regarding their plans to offer these courses elsewhere, and in May, I will share more information on how to stay connected with their future offerings.

Free On-Demand Courses: You can still access the [free on-demand courses](#) until April 30th, 2024, with 30 days of viewing. After this date, they will no longer be available.

IE Symposium: I am thrilled to share that Camp Avanti has agreed to continue the tradition of the IE Symposium virtually! I will be guiding them as they take on the responsibility of providing high-quality CE courses during this event, and IE will not share your private information. If you wish to stay informed about future Camp Avanti Symposia, please click here to join their email list.

Questions or Certificates: Our website and email will remain active until June 2025. Please feel free to reach out if you have any questions about certificates of completion or anything else.

I want to express my deepest gratitude for your unwavering support throughout the years. Your curiosity and passion for our work have been truly inspiring. I am grateful for the learning experiences we have shared and look forward to our paths crossing again at future events. I

invite you to consider attending the [ATTACH Conference](#) in September 2024 in Denver, Colorado, where I will be presenting a 1.5-hour breakout session on 1-2-3 RESET™!

Thank you once again for everything.

Warm Regards,

A handwritten signature in black ink, appearing to read 'HSchmidt', with a long horizontal flourish extending to the right.
